5.00pm—6.30pm

**Friday 12th April**

School closes for Easter Holiday

**Monday 29th April**

School reopens to pupils

With only three weeks until the end of term we have so many exciting learning opportunities happening every day in school.

### Hatching Eggs

We have been very excited to launch our "Spring Watch" theme in Maple Class. We have gone on a minibeast hunt, made a worm habitat, created minibeast fact-files, planted sunflowers, sweet peas, rosemary and wildflowers. We are now waiting for our chicks to hatch- 15 days and counting!

### Messy Mother's Day

Mrs Newbold has arranged an after school activity for parents and children with a short service next Friday 29th March straight after school in the school hall. If you would like to attend please let us know by contacting the school office.

### PE Kits

All children have PE opportunities every week and it is imperative that they have a full PE kit in school so they can take part in lessons comfortably and safely. Could we ask you all to check your child's PE kit and ensure they have everything they need for PE.

### New Website

I am delighted to announce that we have a new and improved website. Please take a moment to visit the site and have a look!

<https://coughtonschool.org>

### Willow Cross

We had a willow expert in school earlier this week who worked wonders with our Willow cross and as spring arrives it is looking healthy and is starting to bloom!

### Easter Service

Please come along to our Easter Service on Tuesday 9th April at 10am at St Peter's Church, Coughton Court.

### School Allotment News!

Year 6 have enjoyed the great outdoors this week and have been busy preparing the land for ready for planting. We have also sown some seeds. We are overwhelmed by the kind donations and generosity that people have shown so far. If you're still interested in supporting us with this project, please speak to Miss Richardson or the school office.

Thank you for your continued support.
