What an amazing term it has been - packed full of exciting learning opportunities.

Our chicks have arrived!

Our children have been learning about life cycles with hatching eggs and they have been rewarded with three chicks hatching in front of their eyes! Our chicks hatched on Friday! They have spent the weekend relaxing with Miss Woodhouse before the children will look after them at school this week. They will then be coming to live with me and this is their rather nice chicken residence in the Cotswolds!

Outdoor Learning

We are looking for parents to support us on a Monday, Tuesday and Wednesday afternoon in order to provide more outdoor learning opportunities at our allotment and in the local area. Please contact the office if you can help.

Our trip to London!

On Thursday we took KS2 to London. We started the day very early and arrived in London in excellent time! The children had the opportunity to study the Parthenon Frieze and to then debate whether the 'Elgin Marbles' should be kept in the British Museum or sent back to where they originated in Greece. Members of the public commented on how knowledgeable and eloquent our children were and their confidence and debating skills were fantastic! We left the museum and our coaches took us past Trafalgar Square, Big Ben, The Houses of Parliament and the London Eye before we ended the day by watching the West End production of School of Rock which we're hoping to adapt to perform in the summer term at Coughton! What an experience! The children were a credit to the school and their day inspired many of them to move to London one day!

Farewells

I have thoroughly enjoyed my time at Coughton over the last 5 and half years, it has been a pleasure and a privilege to work with so many amazing people. I have been constantly supported by the fantastic staff team and school community. The children at school have taught me so much in my time here and I will treasure the memories. Finally, I would like to take this opportunity to say thank you so much for making feel so welcome here and I wish you all the best of luck for the future.
Mr Bidwell

It has been an absolute privilege to be part of such a fantastic community and to be part of your wonderful children's education. Providing them with the best learning opportunities possible, to help them reach their full potential and be their best selves, has been my mission and it has been an inspiring and wonderful experience! I'm very excited to begin a new chapter as Headteacher at Gotherington Primary School in Gloucestershire and I look forward to seeing Coughton go from strength to strength in the future!
Mrs Langley
