School

Transition Day

It was lovely to see the children in their new classes on Thursday. A brilliant day was had by all. The Year 6's came back full of excitement from their secondary school visits and our new Reception starters are getting used to their new surroundings.

I would also like to welcome Emily Kirby to the school who will be teaching Willow class next year (Year 4). She will become the Assistant Headteacher.

Values week

Next week is values week where children will be exploring the Christian values that will be used during next year. This will be shared during our values service at St Peters church at 10.00am on Tuesday 9th July.

The values are:

- ◆ Love
- ◆ Hope
- ◆ Peace
- ◆ Forgiveness
- ◆ Trust
- ◆ Thankfulness

'All about me'

A reminder that next week will be 'all about me' week where the new Warwickshire Sex and relationships programme will be delivered across school. Documentation was emailed on 12th June following a parents meeting with Jonny Hunt on 4th June.

Orienteering

Well done to the orienteering team who took part in a competition at the Heart of England forest this week.

"I really enjoyed taking part and managed to find all of the stations"

Football

Well done to the football team that played at Claverdon . We lost the match 4-3 but played well as a team.

"It was a great game but unfortunately they scored the winner right at the end"

Sports Day

This will take place on Wednesday (3rd July) from 9.30am. Children should have a T-shirt in their team colour. Please ask the office if you are unsure of teams or colours. Children can bring £1 to buy a cake and drink at the end of sports day. Please remember to bring deck chairs/rugs. Hopefully the weather will be kind!

Google

Last week we had the team from Google in school to deliver an assembly on being safe online. The children had a fantastic time during the interactive session.

Choir

Good luck to the school choir who are performing at the Sambourne village fete on Saturday.

Emissions

A reminder to please not leave engines running for longer periods when waiting to collect children from school.

Weather

It is looking like the weather is going to be very hot and sunny over the next few weeks. Please ensure that children have a hat and drink in school with suncream applied.

Thank you for your continued support,

Mr Kolb
