School

## Learning

The children have settled into the new topics this term and are starting to produce some fantastic work from across the curriculum.

## Parents meetings

Thank you to those who attended the recent parent meetings. The slides are available on the website for those that were unable to attend. Any questions please contact your child's class teacher.

The next opportunity to come in is for the 'Read and Feed' event on 11th March at 9am. Pastries and tea/coffee will be served! This is open to all year groups.

## Parent Kind

As has happened in the past 'Parent Kind' have run workshops for parents. This will start again this year and begin on Wednesday 26th February and run through until 1st April. The sessions will run each Wednesday from 3.30pm-5pm. Everyone is invited– they are designed for all primary aged parents and will look at the following topics.

- **It's not just me**
- **Love them and let them know**
- **It's good to talk**
- **Boundaries and battles**
- **Parenting with elastic**
- **Creating a sense of belonging**

If you are interested, please email the office on:

## Studybugs:

We have subscribed to a new system of recording absence that I know a number of you are already using. If not you should have received an email earlier today with details of how to sign up. There is a free app that enables you to easily record details of your child's absence. We have had lots of positive feedback from parents using the free system.

2020

MAPLE

The children have enjoyed learning about Chinese New Year and have been writing some amazing sentences. It has been lovely to see the children writing numbers and forming these with accuracy as well as using their phonics skills to read new words.

BIRCH

The children have been writing some super sentences using their phonic skills. They have been looking at non-fiction texts about tigers and elephants. Next week the children will be cooking saffron biscuits as part of the Indian Spice theme.

ASH

The children have enjoyed creating non-fiction texts about elephants. They have also been dancing to some Bhangra music in PE and engaging in some reasoning challenges in Maths.

ACER

The children have really enjoyed creating some portraits in the style of Henri Matisse. They have also discovered a great deal when investigating friction in Science and starting their new book 'The wreck of the Zanzibar' by Michael Morpurgo.

WILLOW

The children have been writing and performing some brilliant songs using figurative language. A reminder that the next Heart of England forest school session is on Tuesday 11<sup>th</sup> February. Children will be collected from the site again on that day.

OAK

The children have been creating some amazing artwork in the style of Van Gogh. They have also enjoyed learning about The Wright Brothers and the evolution of flight as well as creating their own theme park rides in Science with working motors.

PTA

A reminder that the loose change challenge continues with each class having a jar in which any loose change can be brought in. The next meeting is on 12<sup>th</sup> February 2020 at 7pm and please see the noticeboards at the front of the school for updates.

Mr  
Kolb's  
Corner

Thank you once again for all of your support. Following feedback from parents meetings, children have had logins for spag.com, readtheory, TT Rockstars put in planners.
