

PE and Sport Premium expenditure: Coughton C of E Primary Report to Parents: 2020 (September 2019 to July 2020)

Our Vision for PE and Sport

At Coughton C of E Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop Coughton's values of: Respect, Generosity, Perseverance, Justice, Truthfulness and Friendship.

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

How do we encourage a love of P.E and Sport at our school?

We enter into sports competitions, galas and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in, multi skills, indoor and outdoor athletics competitions, rounders, cricket, netball, football, rugby and multisports.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year. We work with Warwickshire Youth Games to enable our pupils to access tournaments and workshops during the year.

What is the Sports Premium?

The Government is providing funding of £150 million per annum from 2014/15 and beyond to improve provision of physical education (P.E.) and sport in primary schools. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

How is the Sports Premium used at Coughton C of E Primary School?

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.
